

Says Pensions For All Costly

Taft Says It Would Cost \$12 Billion Yearly

Washington, Nov. 22—(AP)—Senator Taft (R-Ohio) said today it would cost \$12,000,000,000 a year to pay \$100 a month pensions to all persons over 65 years of age.

The Ohio Republican raised numerous critical questions about the \$100-monthly pension agreements that settled the recent steel strike, as well as similar pensions which went to aged coal miners until the United Mine Workers Welfare Fund suspended payments in September.

Taft said the whole subject of pensions in industry and government "is in such complete confusion today that it should receive the most careful study" by congress.

Should Tackle Problem
He added that the Senate finance committee, which handles social security and tax legislation, should tackle the overall pension problem when it meets in January. He is a member of that committee.

Taft's comments were in a weekly release from his office here intended primarily for Ohio newspapers. The Senate GOP policy chairman is using this method in his drive for reelection next year in addition to frequent speeches and visits throughout the state.

Taft said the \$100 a month pensions in the steel and coal industries indicate a trend toward a "flat sum for all, along the lines of the Townsend plan." He pointed out that this differs widely from the federal old age insurance plan. Under the social security system the size of pension payments is determined by wages received in working years.

Purchase Of Property
Estimating the cost at \$12,000,000,000 a year for providing flat \$100 monthly pensions to those over 65, Taft said:

"Of course, no such sum can be paid out of any pension fund accumulated on a sound actuarial basis. The reserve would be so huge that it would have to purchase most of the property in the country."
He said the only way pensions can be paid to millions who have retired and are not working is out of the current earnings of those who are working.

Taft said these earnings "must be reached through some form of taxation." He said this could be a tax on pay, on income, on sales, or it might be paid from profits by employers; or it could "be raised by a transaction tax as proposed in the Townsend plan."

No matter what method is used, Taft said that the costs "are usually passed on to the consumer in the price of the finished product."

Cops Fail To Find Gun Used To Kill Senator Hooper

Jackson, Mich., Nov. 22—(AP)—Hours of digging at a prison farm today failed to uncover the weapon used in the 1945 slaying of state Senator Warren G. Hooper.

Authorities said the digging would continue tomorrow.

Six southern Michigan prison inmates started excavating a quarter of a mile of trench this morning. This afternoon 10 more inmates were added to the crew.

A mine detector also was used without success in the search for the gun.

Mitchell Bonkowski, one of two convicts whose recent story touched off the current investigation, stood by as the digging proceeded.

Bonkowski reportedly first claimed that the weapon would be found on the prison farm, but later abruptly announced:

"There's no use digging—you won't find the gun."

Says 60 Per Cent Of Germans Don't Want Militarism

Frankfurt, Germany, Nov. 22—(AP)—The newspaper Rundschau said today 60.2 per cent of the Germans questioned in a recent poll declared they wanted no more military service under any conditions.

The poll was conducted in the three western zones by the institute for market research and observation.

HAYMARKET THEATER WILL BE DESTROYED

Chicago, Nov. 22—(AP)—Gay dogs of the turn of the century era may sigh to learn that Chicago's old Haymarket theater is to be torn down soon.

The former burlesque house stands in the way of a new superhighway project. The Speedway Wrecking company won the dismantling job today with a bid of \$19,800.

11-Year-Old Boy Is Only Survivor Of Plane Disaster

Oslo, Norway, Nov. 22—(AP)—An 11-year-old Jewish refugee boy emerged today as the sole survivor of a plane wreck that brought death to 34 persons—27 other children and seven adults.

He is Isaac Allal, 11. His two brothers and a sister were among the dead. All 28 children were being flown from Tunisia to Norway for six months rest and rehabilitation when their Dutch transport plane lost its bearings and crashed Sunday night.

Search parties found the wreckage on a densely wooded hillside 30 miles southwest of Oslo.

The twin-engine DC-3 transport, object of a four-nation sea, air and land search, was carrying four Dutch crewmen and three nurses in addition to the children. A police officer in charge of operations at the scene said 31 bodies had been recovered, 26 of them children. The other three bodies are believed to be under the wreckage.

Isaac was sitting in his chair at the very tail of the plane when a party of home guardsmen, headed by Thorolf Hagen, reached the scene more than 42 hours after the crash.

He blinked and told his rescuers in halting French that he felt "not bad."

Though able to walk, he was hustled on a stretcher to an ambulance and taken to the hospital at Drammen, 10 miles away.

Thanksgiving Day Dinner Will Cost Less This Year

Washington, Nov. 22—(AP)—The cost of a Thanksgiving Day dinner with all the trimmings will be a little lower this year than last.

The labor department checked Washington, D. C., prices for turkey, day dinner items—the bird itself, vegetables, cranberry sauce and pumpkin pie.

It said the meal this year for a family of four will cost about \$5.07. This compared with \$5.47 last year, \$5.12 in 1947 and \$2.60 in 1941.

In arriving at these figures, the department put down only one-half the cost of a turkey as a charge against the Thanksgiving dinner. It figured a turkey would provide at least two meals for a family of four.

The department lacks specific figures for other cities, but food prices are down nationally from what they were last year.

B&O Asks To Stop 2 Illinois Trains

Baltimore and Ohio Railroad company asked the Illinois Commerce commission to discontinue two trains because they are not handling enough traffic to pay the cost of operation.

E. M. Talbott of Baltimore, Md., a special accountant, said the trains would lose over \$100,000 this year.

The commission took under advisement the request to discontinue the trains, Nos. 248 and 249, between the Illinois-Indiana line and Decatur. Talbott said the trains lost \$92,000 last year.

Claim Perfect Success Of New Drug In Curing Colds

Chicago, Nov. 22—(AP)—Two researchers claimed 100 per cent success today in curing colds with a double barreled drug they said acts both as a cold preventative and cold killer.

The drug is one of the anti-histamines—substances used to combat hay fever and other allergic reactions. It is known medically as Neo-hexamine and has been released for public sale without prescription under the trade name Analist.

They said their perfect records for cures, was possible, however, only when the drug was given within 48 hours after the onset of symptoms. They said it was of no value when a cold had reached the full-blown stage.

The tests were made on volunteers at Sing Sing prison and at Maryknoll convent and seminary, both at Ossining, N. Y. The experiments were reported in the December issue of

Says Most of U.S. Will Have Fair Weather Thursday

Washington, Nov. 22—(AP)—Most of the nation will have generally fair weather for Thanksgiving, the weather bureau said in a special nationwide forecast tonight.

It will be fair and mild in the south and southwest, colder than normal in the upper Mississippi valley and the Great Lakes region and seasonably cold in the central and northeast sections, the bureau said.

The text of the special holiday forecast:

"Generally fair and mild weather is expected over all the southern states and the far southwest and fair with mild in afternoon over the middle and southern Rockies and the plateau region. However, it will become colder by night in the southern Appalachians and the interior of the south Atlantic states."

"California will be fair and mild except for some coastal fog and local morning fog in the interior. Showers are expected west of the Cascades and scattered light showers with moderate temperature over much of Montana."

"But from the Dakotas eastward over the upper Mississippi valley and the northern portions of the Great Lakes region temperatures will be generally somewhat below normal with cloudy weather and some light snow."

Urges Communists Be Evicted From Federal Housing

Chicago, Nov. 22—(AP)—A league of bank and loan company officials went on record today as urging that communists be evicted from government housing projects.

The eviction resolution, adopted at the closing session of the United States Savings and Loan league's 57th annual convention, also declared that the government should enforce the tenancy limitation to families of low income.

The group said it was "unthinkable" to permit the use of taxpayers' funds "to help pay the rent of persons affiliated with the communist party."

Another resolution adopted at the convention instructed the league's officers to "oppose vigorously any attempt at 'false economy, in government at the expense of the veteran."

Another declaration adopted said that "the public must be made to understand why the deficits of the federal government are piling up and be inspired to use the force of public opinion to stop them."

Two Navy Men Get Legs Amputated By 'Copter Rotor

Eremerton, Wash., Nov. 22—(AP)—Two navy men whose legs were amputated in Alaska by a whirling helicopter rotor were in the naval hospital here today.

One of them, Jesse L. Allen, 35, was formerly a professional ballet dancer. The rotor also clipped off a thumb and index finger. He is from San Lorenzo, Calif.

The other victim was Dale A. Lynch, 20, of Laurel Springs, N. J. Both legs of both men were slashed off just below the knees.

The men said a sudden gust of wind caught the craft as it was taking off at a navy recreation camp near Kodiak Nov. 9. The gust caused the helicopter to pitch sideways.

"One minute we were standing there, watching the take off," said Allen. "The next we had no legs."

Both men will be transferred to the navy's amputation center at Mare Island, Calif.

TO RESUME TALKS

Washington, Nov. 22—(AP)—The United States, Britain and Canada will resume negotiations here next Monday on a new agreement covering their partnership in atomic energy development.

Initial negotiations were held Sept. 20 through Sept. 30.

High Court Turns Down Petition For Release Of Convict

Springfield, Ill., Nov. 22—(AP)—The Illinois supreme court today turned down the petition of Perry Williams for release from Menard State penitentiary.

Williams was convicted of armed robbery in 1931 in Adams county and of a bank holdup in 1936 in Pike county.

On the first conviction, he was sentenced to one year to life. After serving five years he was paroled. In the bank robbery case he got one to 20 years.

When he completed his second sentence in 1947, the warden at Menard refused to release him on the grounds he had violated his parole on the first offense.

Williams then filed a habeas corpus petition which the supreme court rejected today.

Hungary Arrests I. T. & T. Executives

Illinois News Briefs

Springfield, Ill., Nov. 22—(AP)—The Illinois supreme court held today that a 1946 road and bridge tax by the Village of Mascoutah was illegally extended.

The tribunal ordered the St. Clair county circuit court to sustain the Louisville and Nashville railroad's objections to the tax.

Marion, Ill., Nov. 22—(AP)—A Williamson county couple asked for \$2,000 alleged damages from the Williamson County Airport Authority in a suit filed yesterday in the circuit court here.

Richard and Mary Bullner charge that grading for the 360-acre airport, midway between Marion and Herrin, changed the natural water drainage, resulting in flooding ten acres of their land.

Harrisburg, Ill., Nov. 22—(AP)—Funeral service was held here today for Mrs. Palonia Petroski of Gaskins City, who claimed to be 104 years old. She died Saturday. Her birth record was lost in a 1937 flood.

Nashville, Ill., Nov. 22—(AP)—Bishop Albert Zurowest of Belleville will dedicate a new St. Ann's parochial school here tomorrow.

Nashville, Ill., Nov. 22—(AP)—Jehovah's Witnesses from surrounding southern Illinois communities will open a three-day convention here Friday. About 600 were expected for the main Sunday session.

Peoria, Ill., Nov. 22—(AP)—Dr. Alexander Fraser Stewart, 81, a retired Galesburg physician, died last night.

Chicago, Nov. 22—(AP)—A stolen truck was found abandoned today with half of its \$40,000 load of liquor still intact.

Arnold Baisley, 38, of Webster City, Ia., the driver, reported it stolen sometime Sunday night or early Monday from a street where he had parked it. The police cartage department found it behind a signboard in a vacant lot at 1222 South Michigan avenue near the downtown district.

Springfield, Ill., Nov. 22—(AP)—The Illinois supreme court ruled today that nominating petitions for elective offices must be filed with the election clerk for the state, city or county during the hours the office is open.

The court said the petitions could not be filed with the clerk at whatever place he might be found or at any time.

"Such indiscriminate filing could only lead to confusion and possible fraud," the opinion said.

Chicago, Nov. 22—(AP)—Fifteen rail lines, including the New York Central and the Pennsylvania, pulled out of the Rail Travel Credit Agency today.

Fourteen of the lines withdrawing from the "charge it" ticket system were in the east. The Union Pacific also withdrew. The lines will no longer offer passengers the ride-now-pay-later service after Jan. 1.

A spokesman at the agency, a mutual undertaking of 48 railroads, said the eastern lines "found out that they just had to winkle down costs. The price per transaction, they felt, was too high."

Chicago, Nov. 22—(AP)—Henry Pope, Jr., 46, of Kankakee, has been nominated to head the Illinois Manufacturers' Association next year. His selection by the association's nominating committee is tantamount to election. However, the election will be held at the 56th annual IMA dinner meeting in Chicago Dec. 13.

Pope is president of the Bear Brand Hosiery company, Kankakee.

59 Nations Owe U.S. 13 Billions

Washington, Nov. 22—(AP)—Fifty-nine foreign countries are obligated to repay the United States a total of \$13,400,000,000 over the next 50 years, the commerce department reported today.

That amounts to about \$90 for each American in the present population. Foreign payments for 1950 alone, scheduled at \$304,000,000, work out to a little over \$2 for each American.

The \$13,400,000,000 is composed of \$2,200,000,000 principal and \$4,200,000,000 interest promised by foreign countries on borrowings from the U. S. from 1934 to mid-1949, part of it Marshall plan money.

Britain alone is committed to paying \$7,500,000,000 or 56 per cent of the total.

One Is American; All Accused Of Sabotage, Spying

Budapest, Hungary, Nov. 22—(AP)—Hungary announced today the arrest of three communications company executives, including Robert Vogeler of New York, on charges of espionage and sabotage. The communique declared all had confessed.

Vogeler, 38, is an assistant vice president of the International Telephone and Telegraph Company of New York and its roving representative in eastern Europe, with headquarters in Vienna, Austria.

Detained with him were Edgar Sanders, a Briton who is the local representative of I.T. & T., and Imre Geiger, a Hungarian national who is managing director of an I.T. & T. subsidiary, the Standard Electric Company, Ltd.

Ask To Visit Prisoners
Both American and British diplomatic authorities asked the foreign ministry for permission to visit the prisoners. The Hungarian decision was deferred.

The Communist government's 84-word announcement said others also are held, but did not state the number nor give details of the case. It is understood here that Vogeler was seized on his way to Vienna by motor car after checking out of his Budapest Hotel Friday.

U. S. Minister Nathaniel P. Davis, summoned by Foreign Minister Gyula Kallai to receive the announcement, immediately asked permission to talk with Vogeler. Kallai was reported to have promised to "forward the request to the proper authority."

The British consul asked permission to visit Sanders, who returned to Hungary as an accountant for the I.T. & T., after serving as a captain in the British military mission here immediately after the war.

Follows Set Pattern
An assistant vice president of the company, Henry Sanders, said in Vienna the Vogeler case "follows the exact pattern of the Standard Oil company men who were arrested on the same charges last year."

He implied that the aim of the Communist government was to take over company properties.

Paul Ruedemann and George Bannantine, American representatives of Standard, were arrested by Hungarian secret police Sept. 18, 1948, and expelled a week later after signing statements saying they were guilty of sabotage in the Lespe oil fields. The two subsequently told reporters they signed the statements under pressure which included questioning for 24 hours at a stretch.

Ruedemann said: "The Hungarian government was determined to take over the (oil) plant in one way or another and this seemed to be the best way."

Find Boy, 14, Shot And Brother, 16, Believed Hiding

Springfield, Vt., Nov. 22—(AP)—A scared boy of 16 was believed hiding in frosty deep woods from a police bloodhound search today after fleeing in fear from a lonely farmhouse where his 14-year-old brother was found shot to death.

The body of Kenneth Priest, a seventh grader, was found yesterday in the dining room of the outlying house where he and his brother lived with their father, a machinist.

Police Chief Sherman Martin said the dead boy had a bullet wound in the mouth and that the fatal shot was apparently from a .22 caliber rifle.

Forrest Priest, the elder boy, disappeared yesterday and is wanted for questioning, Martin said. Other police officials said they had no theories on the case beyond believing that Forrest ran away in fear. They said he may have had a .22 rifle with him when he left.

State School Aid Will Be Split Up In Favor of Poor

Springfield, Ill., Nov. 22—(AP)—The argument over splitting up \$100,319,000 in state school aid funds was decided today in favor of the poorer districts.

The Illinois supreme court ordered a payment plan that means many wealthier public schools will receive less state cash than in 1947-48 despite a 53 percent overall boost in state school aid which was voted by the 1949 legislature.

In another case, the court held that night clubs must pay the two percent state sales tax on food and drink business.

The school money question centered on how to meet aid claims based on a formula geared to an \$111,500,000 spending rate with \$11,000,000 less to spend.

The two-year appropriation for this purpose was trimmed in a last minute economy move by the legislature, which did not make a corresponding change in the payment formula. Consequently, the state does not have enough money to pay school claims in full.

Under the court's decision, payments will be scaled down to 82 percent of the full claims for both major forms of state school help—flat grants and equalization.

Flat grants are paid to all districts. Equalization money goes to poorer school units whose flat grants added to a qualifying local property tax fail to produce state guaranteed levels of \$120 a pupil this year and \$169 next year.

Cook Co. Makes Plans For Escape In Atomic Blast

Chicago, Nov. 22—(AP)—Anti-atomic bomb plans are being made for Cook county—the greater Chicago area.

The defense plans were revealed today in a report by Col. Thomas R. Gowenlock to the president of the Cook county board.

Gowenlock, chairman of the Cook county civil defense and safety commission wrote to William N. Erickson that emergency plans and an organization are being readied to minimize the "devastating results of such a catastrophe" over the nation's second largest city.

Reds May Act In Ward Case

Washington, Nov. 22—(AP)—The Chinese Communists reported today that their "people's court" at Mukden has finished an investigation and will give a verdict on American Consul General Angus Ward and four members of his staff "in a matter of days."

This first word on their fate was received by the state department and gave new urgency to American efforts to free the five from jail.

Two versions of a Mukden radio broadcast reported from Nanking and Shanghai call Ward and his staff members "criminals" and "culprits" and said they have been questioned repeatedly since their arrest October 24. They were charged with beating a Chinese employee of the consulate.

U.S. Awaits Response
The state department, which has denounced the charges as "trumped up," meanwhile was awaiting first responses from the 30 nations to which Secretary Acheson addressed an unprecedented appeal for concerted international action in behalf of the jailed consul. Acheson's message went to the foreign ministers of Russia and of four eastern European Soviet satellites, among others.

The British foreign office expressed "concern" today over Ward's detention, and said the American call for a concerted protest is being considered.

There appeared to be little doubt that the western governments would go along, but there was a big question whether Moscow would join in bringing pressure on its Chinese protegee. Today's development raised new uncertainties—whether the Mukden Court will go ahead with a Communist-style trial regardless of the international outcry, and if so whether it will decree stiff jail terms or impose merely nominal sentences.

Questioned Many Times
In an official message to the State department, American consular officials at Shanghai said the Nanking newspaper Shen Min Pao of Nov. 22 quoted the Mukden radio station as announcing:

"The American Imperialist Ward and four criminals who brutally beat the Chinese workmen Chi Yu-Heng and Chi Yu-Feng had been questioned many times since they were turned over to the Mukden People's court."

This account said Ward and his associates had been brought face to face with their accusers and both sides have made statements. "The investigation of Ward has now been completed and within a short time the final question will take place and the verdict will be announced," the radio said.

A second recording of the broadcast came from the Shanghai newspaper Shen Wen Jih Pao. This referred to Ward as an "American Imperialist element who assaulted and insulted" the two Chinese.

States President Will Fight For Health Program

Washington, Nov. 22—(AP)—Federal Security Administrator Oscar Ewing served notice today the Truman administration expects to put up a stiff fight for the president's health insurance plan in the next session of congress.

He did so in announcing that he is leaving next week for an on-the-spot study of Britain's health plan and Sweden's social security setup.

Ewing said the trip is a preliminary step toward renewing the fight in congress for the president's health insurance plan and the creation of a federal department of welfare.

Chief Attorney Of Bridges Gets Jailed For Contempt

San Francisco, Nov. 22—(AP)—Vincent Hallinan, chief attorney for Harry Bridges, was sentenced today to six months in jail for criminal contempt of court, after a bitter, heated exchange of words with Federal Judge George E. Harris.

Judge Harris at first ordered Hallinan into custody immediately.

Later he granted a stay to allow Hallinan to continue to represent the west coast CIO longshore leader in his perjury trial.

The trial will be resumed at 10 a.m. tomorrow. Under his original order, Judge Harris had continued the case until Dec. 6 and told Bridges to get another lawyer. The stay, however, means that Hallinan will have to serve his sentence once the case goes to the jury.

The word battle brought a scathing denunciation of Hallinan's contemptuous attitude by the judge and a motion by the attorney that the judge disqualify himself in the proceedings.

Before Judge Harris granted the stay, he discussed the matter with Bridges, who is charged with perjury in denying in a naturalization oath.

Health Official Gives Eating Hints For Thanksgiving

Chicago, Nov. 22—(AP)—Dr. Herman N. Bundsen, president of the Cook county board of health, today gave this Thanksgiving advice:

"Eat heartily but don't overeat when that turkey is set before you. Overeating can lead to a strain on the heart, the blood vessels and the kidneys."

Furthermore, said Dr. Bundsen, "chew twice as long and you'll eat half as much. Enjoy yourself at the meal. Talk, fun and laughter speed up digestion."

He advised a short rest before dinner if you are tired or tense, and no exercise after the meal. "When you eat," he said, "it is not the use of any food that does you harm. It is the abuse of it."

Veep And His Bride Taking Life Easy At Sea Island, Ga.

Sea Island, Ga., Nov. 22—(AP)—A beaming vice-president and his pretty bride took life easy in their honeymoon retreat today—"doing as much of nothing as possible."

Alben Barkley and the new second lady of the land took a brief walk among the palms and along the pounding surf at this sunny resort, joking with some of the other 25 newlyweds here.

But mostly they enjoyed the privacy of their handsome, secluded apartment by the sea.

The vice-president, who celebrates his 72nd birthday here Thursday, Thanksgiving Day, married the former Mrs. Carleton Hadley, 38, in St. Louis Friday.

Their "Shangri La" honeymoon spot, on one of south Georgia's Golden Isles, was a bit nippy today.

"REGIONALIZING" STATE SCHOOLS

The 11 westernmost states have followed the lead of the South and agreed to pool educational facilities regionally to raise the level of training in specialized fields like medicine, law and engineering.

This idea has gained headway both in the South and West because no single state in these regions has enough money to support a complete set of first-rank institutions covering such studies. Were any state in the two areas to try establishing schools in all fields, the result almost certainly would be disappointing to state leaders eager to maintain high standards.

A far higher caliber of training is expected to come from the regional plans. Under this set-up each state will seek to make itself the educational specialist in a limited number of fields. Thus California might concentrate on medical and law schools, Utah on a mining school, Colorado on engineering.

Each state will send its students beyond its borders for training in specialties not taught at home. In turn it will accept students from neighboring states who wish to study its own specialties.

This plan not only promises to assure higher educational standards; it also will eliminate much wasteful duplication of facilities. The sparsely settled mountain states particularly can ill afford to spread their slender financial resources over several specialized institutions.

Although the less wealthy regions are showing the way in co-operative efforts like this educational plan, the richer sections of the country are not unaware of the advantages in such arrangements.

For example, progress has been made toward a big regional library in the Middle West to house books for several big universities. The library would serve as a central depository for material not in too heavy demand, which could be circulated as needed by students in various parts of the region. The schools' own libraries would need to keep on hand only the books in greatest use.

There is serious talk about setting up a regional library in the eastern area, to serve jointly the requirements of the New York public library and those at Harvard, Yale, Columbia and perhaps others.

Furthermore, the western states already have started work on a similar scheme for correctional institutions and state hospitals. California, previously about to abandon its women's reformatory, may now continue it as a prison for women offenders throughout the West. Plans are under way for a single western school for the deaf.

Regional pooling of resources is an outgrowth of co-operation among the states developed at governors' conferences in the past 10 years. The states have showed increasing concern over the fact that the initiative has passed to the federal government in most matters of greater than strictly state interest.

The region-wide approach to educational and other problems is plainly an effort by the state to recapture some of that lost initiative and to restore a better balance among federal, state and local governments.

AMVETS DINNER COMPLIMENTS NATIONAL COMMANDER

A capacity crowd attended Monday night's dinner held at Amvets hall in honor of National Commander Harold Russell. Seated at the head table, left to right, were Willard A. Manning of Springfield, commander of the third Illinois district; State Commander Clint Craig of Kankakee; Commander Russell, Commander L. S. Ruby of the Jacksonville post; Mrs. Harlin Swisher of Champaign, commander of the Illinois Amvets Auxiliary; Mayor Ernest L. Hoagland; Dr. Arthur P. Ewert, A. R. Kays of Springfield, administrator of the Illinois Veterans Commission; Bernard Mayberry of Lincoln, state judge advocate; Howard Paul of Beecher, state adjutant, and John P. Beadles, past commander of the local post.

Boyle's Column

They Don't Belong On The Same Gridiron

By HAL BOYLE
New York—(AP)—Could undefeated Notre Dame knock off one of the top professional football teams? That has been a favorite topic in this season with a number of pigskin historians of the sport pages.

Impressed by the record of 33 LeMott has any business in the "Ramblers, a number of writers have opined that the fighting Irish could beat many play-for-pay teams. Some even have crawled clear out on the limb and proclaimed that Notre Dame could outscore the best pro elevens.

I am no fonder of tanned pork than the average man, but if Frank Leahy's boys in green can whip the Cleveland Browns I'll be glad to eat without benefit of gravy—the football they do it with.

In successive weeks I watched Notre Dame tar North Carolina's Tarheels, 42-6, and the Cleveland Browns retain the leadership of the All-American conference by blanketing the New York Yankees, 31 to 0.

Against the powerful Yankees last Sunday the Browns would have torn the Notre Dame line to splinters and smothered its backs so often they would have a feeling they were playing in Fido-don't.

Meanwhile Cleveland would have passed or linebucked the dazed Ramblers silly.

October Sale Of "E" Bonds Here Totaled \$83,840

Citizens in Morgan county invested less in the popular Series "E" United States Saving Bonds in October than in October of 1948.

Arnold J. Rauen, State Director, U. S. Treasury Savings Bonds Division of Illinois, issued the monthly figures by county from Chicago.

These showed investments in the Series "E" U. S. Savings Bonds in this county totaled \$83,840, compared with \$118,584 in October, 1948 and \$65,102 in September, 1949.

For Illinois as a whole in October, \$25,557,206 was invested in residents in Series "E" Bonds, compared with \$27,409,389 in the same month of the year before and \$26,630,213 in September, 1949.

A new Christmas enclosure for U. S. Savings Bonds to be given as gifts is now available at banks and post offices. These are free.

Francis R. Rantz of the Elliott State Bank is chairman of the U. S. Savings Bonds committee in Morgan county.

Directors Hear Reports At Red Cross Meeting

The directors of the Morgan County Red Cross chapter met Tuesday night in the chapter office with the following directors present: Robert Kauffmann, chairman; M. C. Reynolds, Mrs. Constance Finch Johnson, Mrs. Lena Dixon Dietz, Miss Violet Davis, Mrs. Frank Corrington, Cloyd DeFreites, Cecil Wegehoff, Literberry, and Alma Mackness, executive secretary.

Mrs. Corrington, chairman of the volunteer services committee, reported on the conference held in St. Louis in October. She explained the results of a survey recently made by her committee in the city and county and the plans of the committee for the current year in contributing hospital favors and entertainment and recreational articles for use of the patients in various hospitals and institutions.

Howard Reynolds, chairman of the first aid and accident presentation committee, spoke concerning the completion of the Standard first aid course for the majority of the school bus drivers in Morgan County. He stated that other first aid classes will be organized for interested persons in the community some time in January.

Tells of Nursing Course
Mrs. Dietz, chairman of the nursing committee, told about the new short home nursing course just put into effect.

Miss Mackness, home service director, made a report of the institute conducted in Springfield the last of October, which she attended. She also told about the Executive Secretaries conference held in Springfield last month for all Red Cross chapters in Illinois, excepting the very large cities.

The home service report for October as given by Miss Mackness is in part as follows. Total cases open—150; servicemen's cases were given help in securing emergency furloughs, extensions of furloughing such as requested by military authorities; getting healthier and welfare reports for the families living in the local community who had received no word of servicemen for a long time; assisting families and dependents of servicemen in securing family allowances and other benefits. The veteran's cases received assistance in filing compensation claims, state

bonus claims and helping dependents of disabled and deceased veterans prosecute claims for government benefits. Emergency financial assistance was given in cases where there was a real need.

Other Reports Given
M. C. Reynolds, treasurer, read his report for October. Mrs. Johnson, who attended the disaster medical institute in Peoria, made a report on the meeting.

Mr. Kaufmann appointed a committee to select a Fund Campaign for the drive to be held in March, 1950. Mr. Reynolds, Mr. Spink and Mr. DeFreites are members of this committee.

The next meeting of the directors of the local chapter will be held on Dec. 19.

Official Demands Prompt Trial For Murder Suspect

Jerseyville, Ill., Nov. 22.—(AP)—State's Attorney Alvin H. Pettit said yesterday he could demand a speedy trial for Leonard Hawkins, charged with slaying Albert E. Clark of Boise City, Okla., on Oct. 5.

A grand jury indictment has been returned against Hawkins. Pettit expressed belief the circuit court would try the case early in January.

Hawkins, alias Lucky Benson, was captured near Dalhart, Texas, in an intensive hunt that followed discovery of Clark's body in a country lane south of here.

Clark had been shot to death.

Officials said Hawkins has given three versions of the affair.

Services Tuesday For Mrs. Randolph

Funeral services for Mrs. Minnie Randolph were held Tuesday at 2 p.m. at the Gillham Funeral Home. Rev. Clair E. Macomson was the officiating minister. Music was furnished by Mrs. Warrington Kent, organist.

Immediately following the services, the body was taken to the Hurley Funeral Home at Havana, where final rites will be conducted Wednesday afternoon.

Interment will be made in Laurel Hill cemetery at Havana.

Retired Nurse Names Relatives, Friends In Will

Several cash bequests to relatives and friends were made by Miss Maybelle Parrott, local retired nurse, in her will which has been filed for probate. She also left instructions for distribution of personal effects to a number of individuals.

The sum of \$1,000 was bequeathed to a sister-in-law, Minna Parrott of Denison, Texas; \$1,500 to a lifelong

friend, Louise Fell Haynes of Chicago; \$1,500 to a companion of many years, Sara W. Rilea of Palo Alto, Calif.

All of her silverware was left to a niece, Louise Preston of Houston, Texas. Miss Parrott left all of the remainder of her personal effects, including jewelry, furniture, china, clothing and pictures, to a niece, Florence Liebig of Quincy, Ill., with a request that she make division among a number of relatives and friends named in the will.

The testatrix directed that the remainder of her estate, including securities, be divided into two equal parts, one part to be paid to her brother, Herbert Y. Parrott of Denison, Texas, and the other part to four nieces, Geraldine Taylor, Lillian Williamson, Florence Liebig and Helen Day, in equal shares.

A brother-in-law, Joseph N. Getty of St. Louis, Mo., was named executor of the will, which was made at Palo Alto, Calif., on July 12, 1944.

Miss Parrott mentioned in her will that she had provided for certain charities through annuities in favor of the American Bible society, Conference Claimants Fund of the Methodist church, and for home and foreign missions of the Methodist church.

Mrs. Siebo Puls Of New Berlin Dies Tuesday

New Berlin.—Mrs. Margaret Catherine Tholen Puls, widow of the late Siebo Puls, died Tuesday at 6:45 a.m. at Springfield Memorial hospital after a lingering illness. Her home was on New Berlin rural route one.

Mrs. Puls was born at Bethel in Morgan county on March 13, 1873, daughter of Enoch and Elizabeth Middendorf Tholen. She was united in marriage with Mr. Puls on June 13, 1892, her husband preceding her in death Jan. 29, 1948. Four children are deceased.

Seven children survive, including Mrs. Minnie Anderson of Springfield, Mrs. Cora Parks of Bluffs, Mrs. Lula Holscher of Virden, John Puls of Hinckley, Ill., Edward Puls and Mrs. Pauline Sidener at home. There are 11 grandchildren.

Surviving brother and sisters are Fred Tholen of Jacksonville, Mrs. Anna Lakam of Champaign and Mrs. Emma West of Breese, Ill. Two sisters are deceased.

Mrs. Puls was a member of St. John's Lutheran church of New Berlin. A former resident of Morgan county, she had lived in this community 17 years.

The remains are at the McCullough Funeral Home where friends may call and view the remains. Services will be held Friday, Nov. 25, at 1:30 p.m. at the funeral home and at 2 p.m. at St. John's Lutheran church, in charge of Rev. Ralph C. Fessler. Burial will be made in the Lutheran cemetery at New Berlin.

Union Worship At Lynnvill

TRENDS IN BUILDING COSTS—Building costs have declined, but not very much, from their all-time peaks of 1948. A brick house that cost \$5000 in 1910 costs four times as much to build now. The newschart above shows how the cost of building has followed right along with the cost of building materials since 1910 and construction workers' wages since 1934, the first year when comparative statistics became available. Data is from the Cleveland Trust Company and the Bureau of Labor Statistics.

How To Spot A Rare Book

Los Angeles—(AP)—What makes a rare book? Dr. Lawrence Clark Powell, U.C.L.A. librarian, lays down these eight rules for libraries hereabouts:

1. All books printed before 1600; American books before 1820; California books before 1870; Los Angeles books before 1900. 2. Limited editions of 300 copies or less; auto-editions of books; first editions of significance. 3. Books of esthetic importance—fine printing, illustration or binding. 4. Books which cost more than \$50. 5. Items of local or archival interest, including local fine press books. 6. Books containing fine plates or fragile makeup. 7. Special collection volumes—unit acquisitions which need to be kept together. 8. Books with significant manuscript or other materials laid or glued in.

STOPS LAXATIVES—FEELS BETTER!

"Have been eating KELLOGG'S ALL-BRAN 3 years and it's wonderful! Now I don't ever need a laxative, feel so much better. I've told plenty of others too!" Mrs. Jerry Russell, Route 8, Maryville, Tenn. Many other grateful ALL-BRAN users write the same. You may be helped, too, if constipated due to lack of bulk in the diet; start eating an ounce of crisp, toasty ALL-BRAN daily, drink plenty of water. If not satisfied after 10 days, send empty box to Kellogg's, Battle Creek, Mich. DOUBLE YOUR MONEY BACK!

WHITE HALL

White Hall—Mrs. Bert Tankersley and W. C. Linder left Sunday for an extended visit in California. Mr. Linder will visit his daughter Mrs. Mary Virginia Bowen, of Los Angeles, and Mrs. Tankersley will visit her son, Bill Tankersley, also of Los Angeles.

Mr. and Mrs. R. A. Wellman and sons of Kenosha, Wis., were recent guests of Mr. and Mrs. Oran Ranson. Mrs. Essie Morris, who has been a house guest in the Ranson home for the past several months, accompanied Mr. and Mrs. Wellman to Kenosha.

Mrs. Emile Roy and Mrs. Julia E. Rumsey of Montreal, Canada, were recent guests of Mr. and Mrs. A. J. Harding and Mr. and Mrs. W. D. Edwards, and other friends. Mrs. Roy is the former Oprie Huffman of White Hall.

Miss Mary Jean Griswold, daughter of Mrs. Lloyd S. Griswold, has been formally initiated into Phi Nu, one of the four upper class sororities at MacMurray college. Miss Griswold is a senior at the college.

Mrs. Charles Smith, the former Bessie Culbertson of this city, now of Laurens, Ia., is visiting Mr. and Mrs. Ansil Brannan.

A regular meeting of the Delta Kappa Gamma society was held in Hardin with Mrs. Cuba Tureman and Mrs. Nina Fuller. Miss Ruth Ford, a returned missionary from China, was guest speaker. Those attending from here were Mrs. W. J. Ritchey, Mrs. Carl Kesinger and the Misses Edith Hyatt and Mac Nichols.

Dr. and Mrs. W. T. Stickley have returned from Chicago where they attended a medical convention.

Mrs. Marion Batty and Mrs. Opal Brown and granddaughter, Donna Addy of Rosewell, N. Mex., have returned to their home after visiting several weeks in this vicinity.

Mr. and Mrs. Victor Long and daughter of East Alton are spending a two weeks vacation with Mrs. Long's parents, Mr. and Mrs. Russell Roodhouse.

Mrs. C. Guy Runyan of Hillview has been dismissed to her home from Our Saviour's Hospital, Jacksonville.

George Hansmeyer was a recent visitor in White Hall enroute to his home in Havana, after a visit to St. Louis.

Mr. and Mrs. Lloyd Hutton were Sunday visitors with Mrs. Burl Wyatt and John Hutton.

Plan now to restore rough, worn-out streets with CONCRETE RESURFACING

In normal times no community can afford to have worn, down-at-the-heel streets. But don't think your worn-out streets are a complete loss. You can salvage them—economically—with concrete resurfacing.

Old base plus concrete equals modern street

Concrete resurfacing combines the remaining strength of the old base with the needed additional strength of a top layer of concrete. The result is a clean, attractive street that is a tonic to property values and to neighborhood pride. Concrete resurfacing is safe, strong and smooth-riding. It carries traffic for decades with lowest upkeep.

Ask your public officials to plan now to salvage old streets by resurfacing with concrete.

Ways to Save

If you were a native of the Tuamotu Archipelago your "wealth" would consist of long tubes of bamboo filled with copra oil, which you would store in the back of your hut. A native with but little living space remaining in a large hut is an important person because it means he has much copra oil saved.

A recreational leadership training school, for the public in general and Home Bureau leaders in particular, will be conducted at Farm Bureau hall on Thursday, Nov. 29.

The school will be divided into two sessions, one at 1:30 p. m. dealing with adult recreation, and the second at 7:30 p. m., pertaining to recreational programs for young people.

Anyone interested in attending this school is cordially invited to do so.

The school will be under the direction of Miss Martha Carlisle of the rural sociology department of the University of Illinois.

24 Foxes Slain During November

Twenty-four foxes have been killed in Morgan county since payment of the \$3 bounty was resumed Nov. 3. Two wolves also have been brought in to the county clerk's office for payment of the \$10 bounty.

For the first three months of the present year the county paid a bounty on foxes, during which several hundred were slain. The county board resumed the bounty plan on Nov. 1 as a means of ridding the community of predatory animals.

Firemen Save Tenant House Near Markham

A two story tenant house on the farm of John R. Boddy, west of Markham, was saved from destruction early Tuesday morning by three Jacksonville firemen, a fire truck, and a cistern which supplied an adequate amount of water for the job. The basement and rear porch of the house, occupied by Don Reining and family, were considerably damaged.

Mr. Reining detected a strong odor of smoke about 5:45 o'clock. When he raised the basement door in the back porch he saw flames in the basement. A call to the fire department was followed by a dispatch of a truck, manned by Capt. Ernest Vieira, Raymond Hayes and Wiley Shaven, to the Boddy farm.

Using four lengths of hose, the firemen drew on the cistern for a water supply. The stream from the pumper soon knocked down the flames, but in the latter stages of the fight the cistern supply became exhausted. Buckets were hastily added to the equipment and water was carried from a well to finish the job.

Austrian Actress To Make Debut In MacMurray Play

Miss Monica Faber, professional Austrian actress at MacMurray college, will make her American debut in the College Theatre production of "Papa Is All," under the direction of Howard C. Hansen. Miss Faber's most recent success was in the festival performance of "Everyman" in Salzburg, Austria, which closed the day before she left for MacMurray, where she is studying in the drama department.

MISS MONICA FABER

Miss Faber comes of a distinguished family of actors. Her mother, Grete Jacobson, is as well known in the German-speaking theatre as Elizabeth Bergner, who has won such acclaim in the American theatre. Her father, Erwin Faber, has just received the highest praise of the Viennese drama critics for his dynamic acting in "Die Kreuzschreiber," which was given in the Neues theatre in Vienna.

An American professional actor, Harry La Tier, will play opposite Miss Faber. Mr. La Tier with his own "La Tier Players" has toured extensively in Illinois during the past few summers and has a wide circle of theatre fans. He and the other two men in the cast, Al Hudson and Joe Baker, are students at Illinois college.

Esther Wilding of Jacksonville, and Constance Stokes of Wyandotte, Mich., play the parts of the daughter and the neighbor in the show.

"Papa Is All" is a Pennsylvania Dutch play with remarkable appeal because of its quaint speech and its unusual comedy situations. Two performances will be given, one on Thursday, Nov. 24, and one on Friday, Nov. 25, at the MacMurray College Little Theatre on West Court street. Tickets are on sale at Rodgers Office Supply.

New York Stock Market

New York, Nov. 22—(P)—The stock market embarked on a timid advance late today after earlier indecision.

Gains ranged to around a point for favored issues. It was far from a one-sided market, though, for a variety of stocks either remained at Monday's closing levels or backed down slightly. Turnover reached a rate of around 1,400,000 shares for the full session.

Corporate bonds followed a narrowly irregular price pattern.

CORN PRICES HIT NEW HIGH GROUND

Chicago, Nov. 22—(P)—Persistent demand and continued light offerings from the country boosted corn futures into new high ground again today.

December corn hit a new high since February, and other corn deliveries reached new seasonal peaks. Wheat started higher on buying stimulated partly by another boost in the wheat export subsidy yesterday. The market then moved backward on profit-taking, and then moved forward again. Soybeans were firm most of the time, but oats were easy most of the session.

Receipts were: wheat 8 cars, corn 60, oats 7, rye 3, barley 5, soybeans 4.

Wheat closed 1/4 to 1/2 cents higher than the previous finish. December \$2.15-2.14 1/2. Corn was up 1/4 to 2 1/2, December \$1.26-1.25 1/2. Oats were unchanged to 1/4 lower, December 74 1/2-75. Rye was down 1/4 to 1 1/2, December \$1.32. Soybeans were 1/4 to 1 1/2 higher, December \$2.26-2.25 1/2. Lard was 5 cents a hundred pounds lower to 2 cents higher, December \$10.30.

FINED ON CHARGE OF EARLY TRAPPING

A fine of \$25 and cost was assessed on Clarke Winter of near Jacksonville when he pleaded guilty in Justice C. S. Smith's court Tuesday to trapping fur-bearing animals out of season. Complaints against Winter was made by J. Kenneth Looman of Meredosia, conservation officer for Morgan county.

Looman said the season for trapping fur-bearing animals opens Dec. 1.

Waverly Quintet Opens Tough Card Against Local Club

Waverly—With three regulars returning for another crack at the hardwood sport, Waverly basketball coach Carrol Lowe has good reason to expect his cagers to pick up where his highly successful football team left off this fall.

Lowe, in his first year at Waverly, takes over the remnants of a Scottie quintet that won 19 and lost but 10 games last season. The Waverly cagers also improved on their record by annexing the championship trophy in the Ashland tournament, registering fourth in a tough Pontiac Holiday meet and finishing the season in second spot in the M.S.M. conference with a 7-2 mark.

Three lettermen, Don Peters, Kenneth Huson and Junior Gibson, are gone by graduation. However, Lowe has been working for the past week rebuilding a team around such stalwarts as Billy Meiers, Deibert Mitchell and John Burnell, all regulars last year.

Aspirants who have been fighting for starting berths include Jim Laugharn, Kenneth Handy, Dick McCready, Bill Staton, Don Dwyer, Bob Staton, John Schramm, Laurence Romang, Kenneth Mayes, Stanley Seales, John Sexton, and LeRoy Deatherage.

The Scotties open a 20-game card which includes two tournaments. Nov. 29 playing host to I. S. D. of Jacksonville.

Chapin Registers Third Cage Win. Nips Bath 46-44

Chapin—A host Chapin five had its hands full with a visiting Bath aggregation here last night before they finally turned back the invaders 46-44 to give Coach Paul Blakeman his third straight win of the season.

It was free throws that did it. While Bath outscored Chapin 18-16 from the field, the hosts were hot at the gift line, making 14 shots good while Bath could collect but eight. Three Chapin cagers figured prominently in the scoring. Bonds and O'Brien each cashed in for 13 points and D. Taylor registered 12.

Lindsey racked up a dozen tallies for Bath.

The Bath seconds copped a 35-34 thriller from Chapin subs to open hostilities.

The Box Score:

WARD CONTRACTS FOR INSTITUTION IMPROVEMENT WORK

Springfield, Ill., Nov. 22—(P)—The state architecture and engineering division has awarded a \$64,170 contract for pipe covering and insulation work at the Mt. Vernon State Tuberculosis sanitarium to Asbestos and Magnesia Materials Co., Chicago.

The division yesterday let a \$10,811 contract for laundry equipment work at the same institution to the American Laundry Machinery Co., Chicago.

A \$3,871 contract for electrical connections for refrigerators and water coolers at the Lincoln State School and Colony went to Super Electric Construction Co., Chicago.

Michigan, Minnesota Win Three Berths On All-Big 10 Grid Team

Chicago, Nov. 22—(P)—Michigan and Minnesota dominate the 1949 and all-Big Ten football team which includes three repeaters but lacks a stinger, is Illinois' Johnny Karras. The 186-pound left half set a conference ground gaining record of 732 yards in seven games and was hailed as the greatest running back at Illinois since Red Grange.

Kral At Fullback
The fullback slot went to Gerry Kral, Ohio State's hard-pounding tailback in the Buckeyes' single wing.

In a close competitive race for quarterback, Northwestern's passing-strategist, Don Burson, got the nod over Ohio's Pandel Savic.

Ortmann, a junior, and Karras are the only under-classesmen, all others on the Nov. 1 outfit being seniors.

Two 1948 all stars were nearly ignored. Northwestern's fullback Art Murakowski received honorable mention. Purdue's halfback Harry Szulborski failed to get a single call.

Rounding out the 216-pound line is Jack Lininger of Ohio State, normally a center but moved to guard on the all-star list.

The backfield, averaging only 178 pounds, reflects special versatility and speed. Heaviest man in it, and the only sophomore of the first string, is Illinois' Johnny Karras.

The 186-pound left half set a conference ground gaining record of 732 yards in seven games and was hailed as the greatest running back at Illinois since Red Grange.

White Hall Opens Cage Season With 55-39 Victory

White Hall—The White Hall Maroons got off to a flying start in this seasons basketball campaign by clipping a Hardin quintet 55-39 here last night.

It was sweet revenge for a White Hall outfit that bowed ignominiously to the same Hardin team last year.

Printy racked up 20 points to lead the Maroon scorers. Churchman scored 13 for Hardin.

The Hardin seconds rapped the White Hall subs 33-30 in the preliminary.

Eight Veterans Bolster Bradley Hardwood Outlook

Bradley University's Braves, coached by Forrest (Fordy) Anderson, have their first eight lettermen returning from the 1948-49 squad which won 27 games and lost eight and placed fourth in the National Invitational Tournament.

Highlights of the Braves 48-49 campaign were the 35-31 upset victory over Oklahoma A and M and the 95-86 upset win over Western Kentucky in an NIT quarter-final game.

Bradley this season could have the greatest team in its history despite a rugged 30-game schedule, which includes 12 Missouri Valley conference contests and appearances in Madison Square Garden, Philadelphia's Convention Hall, Chicago Stadium and the Sugar Bowl tournament in New Orleans Dec. 29-30.

Heading the list of returning lettermen are two All-America nominees, Senior Center Paul Unruh and Junior Forward Gene Melchiorre. Unruh, the leading scorer in the NIT with 80 points in four games, was picked on the first NIT All-tourney team.

Los Angeles, Nov. 22—(P)—Craig Rice, 41-year-old mystery writer, today was committed for an indefinite term in a State hospital on an alcoholism petition signed by her daughter.

At the hearing in Psychopathic court the daughter, Mrs. Nancy Atwill, testified that Miss Rice had used liquor to excess for four or five years and needs institutional care.

The court ordered Miss Rice to the State Mental Institution at Camarillo for treatment.

The author filed divorce suit against her fourth husband, Henry W. DeMott, Jr., 29, last August but later said she was seeking a reconciliation.

Miss Rice was released from the County hospital last Sept. 2 after a brief stay for observation. On this occasion police reported they had gone to her hotel room in Santa Monica on a telephoned tip and found two bottles of sleeping pills.

**Morelli Lawyers
Seek To Get Case
Reviewed By Court**

Chicago, Nov. 22—(P)—Lawyers for "mad dog" killer James Morelli, doomed to die in the electric chair early Saturday, today sought a U. S. supreme court review of his case.

The lawyers, Allan Bloch and Stephen Lee, sent the high tribunal a petition by air mail asking the review and a stay of execution.

The Illinois supreme court refused yesterday to grant Morelli a new trial stay for the U. S. supreme court appeal. During previous stays Morelli's lawyers exhausted every other hope.

Cook county jail attendants believe the 22 year old Morelli now is re-lavon had been feuding and that the signers of his fate. He was convicted of the December, 1947, killing of Emil Schmeichel.

Four Girls Face Murder Charge

Chicago, Nov. 22—(P)—A true bill charging four Negro high school girls with murdering another Negro girl, 15, student last Friday was reported today yesterday by a grand jury.

The girls are accused of the shooting of Lavinia Cain, 16, at the south side DuSable high school. They are Edwina Howard, 19, her sister, Wilma, 14, Evelyn Rivers, 19, and her sister, Helen, 17.

Police said the Rivers girls and Lavinia had been feuding and that the signers of his fate. He was convicted of the December, 1947, killing of Emil Schmeichel.

Plans For Santa, Problems Of City Kiwanis Topics

Virginia—A committee was appointed to prepare for Santa Claus' visit and another to plan the treatment for the first and second graders of the local school at the Legion hall Monday evening. Mayor W. R. Hierman called the attention of the club to some of the city problems.

Robert Morse spoke of the annual meeting of the Abraham Lincoln council of Boy Scouts scheduled for Dec. 1 at Springfield. After the meeting a travel film of the southwest was shown through the courtesy of Supt. Elzie L. Meyers and Professor C. T. Alberts.

Santa's receiving committee consists of Joe Loring, William Yapple, Dr. H. A. Snow, W. R. Hierman and James Simpson. Those planning for the school children's enjoyment are Jack Haywood, John Byus and Elzie L. Meyers.

Mayor Hierman especially discussed the condition of the city sewers and the disposal plant. The solution of these difficulties will require the expenditure of money and the cooperation of the citizens. Alderman Glenn Birnbaum and Jack Haywood also spoke on the subject.

Local CROP Group To Further Drive At Nov. 30 Meet

E. P. Hohmann, Morgan county chairman for the Christian Rural Overseas Program, has announced that the first general meeting of all workers in the CROP campaign will be held at Farm Bureau hall at 7:30 p.m. Wednesday, Nov. 30.

The meeting was originally set for Tuesday, Nov. 29.

All county officers for the CROP campaign, which begins locally on Monday, Dec. 5, have been selected now. Vice chairmen are Rev. Father Michael Kearns of Franklin, Rev. Van Horn of Murfreesboro, and Rev. Wilbur Allen of Jacksonville; secretary, Allen Weghoff of Jacksonville; treasurer, Leland Perbix of Jacksonville; publicity director, Miss Virginia Colwell of Jacksonville, and commodity chairman, J. O. Cain of Jacksonville. The vice-chairmen are expected to contact pastors in their respective areas by the time of the meeting Wednesday, and have arrangements made for appointing local chairmen and canvassers in each rural district.

The program is sponsored jointly by the Lutheran World Relief, Catholic Rural Life, and Church World Service.

Workers Continue Community Chest Drive Efforts

The sum \$270 came into the Community Chest office Tuesday through workers in various divisions, to bring the total to date to \$32,216. Faithful workers are continuing their efforts through this week in an attempt to solve the Community Chest problem which, presently, leaves \$12,000 to be raised. "The people who look to the Chest agencies for help and training will be the ones to suffer if the people of Jacksonville let the Chest budget go by the board," drive officials warned.

Clubs and organizations which have not yet made their gifts to the Chest are asked to bring them to the Chest office, Room 206, Gibson building, during the remainder of the week. Members of the Employee Division committee and City Division workers are asked to bring any gifts they may secure direct to the office during this cleanup period of the campaign. Anyone in the areas not yet contacted by any workers may also bring their gifts to the Chest office between nine and five daily.

War Dads Plan Convention, Hear J. L. Clements

J. L. Clements of Illinois College, instructor and veterans' adviser, spoke on Americanism at the War Dads and Auxiliary meeting held at 8 p.m. Tuesday at the Legion Home. The banquet and speech by H. Roe Bartle of Kansas City, Mo., which ten members attended in Springfield Tuesday afternoon, was the subject of discussion.

The Auxiliary voted to contribute \$5 to the Community Chest, and the War Dads chose to duplicate their last year's contribution. The Auxiliary set their bake and apron sale for Dec. 3, and all were asked to observe remembrance day, Dec. 4.

Those who attended the dinner at the Lincoln hotel's Palm Room in Springfield were President and Mrs. Roy Newberry, President Virginia Vasconcellos, James Rice, Wallace Hembrough, Mrs. Vivian Smith, E. B. Sturgeon, Mrs. Floy Stubblefield, Mrs. Gladys Fanning and Mrs. Opal Bends.

The theme of Mr. Bartle's speech to 64 members from Illinois and Iowa was the national convention to be held in Springfield next Oct. 6, 7, and 8. G. E. Stickney and Mrs. Minnie Groesch, both of Springfield, were elected co-chairmen for the event. Mr. Bartle is national executive committee member for the War Dads.

Virginia Jaycees Plan Square Dance For Park Lights

Virginia—In the Legion Hall the local Jr. Chamber of Commerce last night discussed plans for another big square dance to be given on Saturday evening, in the Farm Bureau auditorium, starting at 8 p.m. Bob Harrison is the chairman.

Because of the cool weather which reigned during the Corn Festival the square dance was held in St. Luke's Hall, which was overcrowded.

Also announced was that approximately \$350 had been raised towards the lighted ball field, excluding the corn which the Jaycees are still picking up on their free time. Some of the corn picked was taken direct to the Virginia Grain company and the remainder has been stored in the temporary crib.

The local club held another day of gleaning on Sunday, Nov. 20 and in two hours time approximately 40 bushels were collected.

"Remember, the bigger the pile, the better the lights," is the Jaycee slogan.

Dean Maddon of Decatur, Ill., Jr. Chamber of Commerce president, is expected to attend the next regular meeting of the local club which will be on Tuesday, Dec. 6.
